11. HOW TO CHANGE YOUR ADDRESS IN DEERS: Healthcare is one of your most valuable military benefits; to ensure that data is reported correctly, it is very important to update your mailing address information in the Defense Enrollment Eligibility Reporting System (DEERS) database. There are several ways to do this:

Online changes may be made at <https://www.tricare.osd.mil/DEERSAddress/>.

a. Any information you submit is insecure and could be observed by a third party while in transit (from you to the web site). If you are submitting information you would like to keep private, it would be safer to use one of the address change options listed below:

- Submit through the nearest military base/post personnel office.
- Call the DEERS Support Office at one of its toll-free numbers 1-800-334-4162 (California only), 1-800-527-5602 (Alaska and Hawaii), or 1-800-538-9552 (all other states).
- Fax to (831) 655-8317. Send TRICARE related questions to QUESTIONS@TMA.OSD.MIL.

b. To avoid delays, the best time to call the DEERS Support Office is 0900-1500 Pacific time, Wednesday, Thursday or Friday.

12. PROPANE TANKS: Recent fires and explosions in household goods carrier vans have resulted in new stringent safety regulations regarding propane tanks. Effective with pickup dates which began 1 May 00, shipping and storage of propane tanks of any type, including purged tanks, in a member's personal property household goods shipment are not authorized. Household goods carriers no longer will

accept propane tanks as part of a Government procured shipment. Shipments already picked up, and are either at an agent's warehouse, in storage, or enroute to final destination, will be transported for final delivery. Members may contact a propane dealer for tank disposal instructions. POC: Ron Johnson, 545-4788.

13. GEORGIA POLICE CORPS SCHOLARSHIPS:

a. The State of Georgia has received funding from the U.S. Department of Justice for participation in the National Police Corps Program. This initiative, coordinated by the Georgia Public Safety Training Center, offers college scholarships and police academy training to students willing to commit at least four years of service as a local law enforcement officer in a Georgia community.

b. Participants are eligible to receive up to \$7,500 per year for educational expenses (\$30,000 maximum) and may attend any accredited four-year college or university, including out-of-state institutions. Participants may pursue a degree in any accredited field of study. In some cases, seniors may be admitted into the program and receive reimbursement retroactively for their freshman, sophomore, and junior years.

c. In addition to scholarship benefits, the program pays tuition, subsistence and other costs associated with basic law enforcement training and certification. Also, agencies that hire participants are eligible to receive salary supplements of \$10,000 per year for each of the participant's four years of required service. As a secondary benefit, agency costs associated with basic training and certification are eliminated.

d. The Training Center has funding for forty (40) Police Corps scholarships and is currently in the process of receiving applications. If you are interested, you are invited to apply for this extraordinary program.
